No. CV-2014-494

BAJA TRUCKING, LC

DEFENDANT

**COMPLAINT AT LAW**

Comes the plaintiff herein, Marvin White, Executor of the Estate of Robert Thomas, Deceased, and for his cause of action as such personal representative against the defendant, Baja Trucking LC, states and alleges as follows, viz:

1. Plaintiff Marvin White is a resident of Arkansas. Plaintiff is the duly appointed executor of the estate of Robert Thomas, Deceased, having been so appointed by the Circuit Court of Greene County, Arkansas, Probate Division, by Order filed of record on January 15, 2014.

2. The deceased, Robert Thomas, prior to his death, resided in Greene County, Arkansas.

3. The defendant Baja Trucking LC, is a corporate entity organized under the laws of the state of Iowa and was conducting business in the state of Arkansas, and one of its tractor trailer trucks loaded with rice operated by a driver within the course and scope of his employment caused a collision in Craighead County, Arkansas (near Brookland) which resulted in the death of Robert Thomas.

4. This Court has jurisdiction of the parties in this action for wrongful death. Venue is appropriate in the Western District of Craighead County, Arkansas, because the collision causing

the death of Robert Thomas occurred in the western district of Craighead County, Arkansas.

5. The truck-automobile collision herein complained of occurred on January 10, 2014, at approximately 10:20 A.M. The deceased, Robert Thomas was driving a Toyota Prius south on U. S. 49 near the city limits of Brookland. While Robert Thomas was traveling south and while he approached the intersection of U.S. 49B, his vision of the intersection would have been obscured by a tractor trailer rig which was waiting to make a left turn from U.S. Highway 49 to U.S. Highway 49B. At said time and place, the driver of a Kenworth tractor trailer transporting rice owned by Baja Trucking LC and driven by a driver serving as the agent, service, and employee of Baja Trucking LC within the course and scope of his employment was traveling north on U.S. Highway 49B approaching the intersection with U.S. Highway 49 which is protected by a stop sign. Said driver of the tractor trailer did not maintain a proper lookout and did not have proper control of the tractor trailer rig resulting in a loss of control, running through the stop sign, leaving the proper lane of traffic, and attempting to run through such stop sign and turn south resulting in a collision with the Robert Thomas vehicle and the dumping of the load on top of the Robert Thomas vehicle ultimately causing the death of Robert Thomas on January 12, 2014.

6. The driver of the Baja Trucking LC tractor trailer, whose negligence is imputed to Baja Trucking LC under agency, scope of employment, and respondeat superior was guilty of negligence which was the proximate cause of the above described truck- automobile collision in the following particulars, viz:

- a) failing to keep a proper lookout;
- b) failing to keep the tractor trailer he was driving under proper control;

- c) driving said tractor trailer at a speed that was greater than reasonable and prudent under the circumstances therein existing;
- d) failing to stay in the proper lane of traffic;
- e) failing to abide by traffic control devices;
- f) failing to stop at a stop sign;
- g) failing to yield the right-of-way to the vehicle driven by the deceased; and
- h) generally failing to exercise due care under the circumstances.

7. The above described acts of negligence on the part of the truck driver who was the agent, servant and employee of the defendant Baja Trucking LC and were taken within the course and scope of his employment with Baja Trucking LC were the proximate cause of the truck-automobile collision described above and which collision resulted in the death of Robert Thomas and damages to which this plaintiff is entitled more particularly described herein.

8. Before this collision on January 10, 2014, Robert Thomas was able bodied and in good health. His date of birth was October 30, 1946, and he was 67 years of age. He had a long career of working and had reached retirement which he was enjoying. Under the Arkansas mortality tables, a person of his age would have had a life expectancy of 16.51 years. Robert Thomas was deprived of the joys and pleasures of these precious years by the negligence and carelessness previously described herein.

9. The deceased was survived by Shanna McQueen who claims past and future mental anguish by reason of said wrongful death as the surviving daughter of Robert Thomas. The plaintiff, Marvin White, as executor of the estate of Robert Thomas, deceased, is entitled to recover for the following damages, all of which were proximately caused by the negligence of the defendant's driver

which negligence is imputed to the defendant:

- a) mental anguish suffered by Shanna McQueen in an amount to be set by the jury in its sound discretion which amount exceeds the current minimum requirement for federal court jurisdiction in diversity of citizenship cases;
- b) the decedent Robert Thomas' loss of life which amount should be set by the jury in its sound discretion and which amount exceeds the current minimum requirement for federal court jurisdiction in diversity of citizenship cases;
- c) the reasonable cost of funeral expenses according to the proof which amount is less than the current minimum requirement for federal court jurisdiction in diversity of citizenship cases;
- d) conscious pain and suffering of Robert Thomas prior to his death on January 12, 2014 to be set by the jury in its sound discretion and which amount exceeds the current minimum requirement for federal court jurisdiction in diversity of citizenship cases; and
- e) medical expenses attributable to the fatal injury according to the proof in which amount is less than the current minimum requirement for federal court jurisdiction in diversity of citizenship cases.

10. Plaintiff Marvin White as executor of the estate of Robert Thomas, deceased asks for judgment as said personal representative against the defendant Baja Trucking LC for all elements of damage applicable to this case under the Arkansas Wrongful Death Statute, said amount to be set by the jury in its sound discretion and which amount exceeds the current requirement for federal court jurisdiction in diversity of citizenship cases.

11. Plaintiff Marvin White, as executor of the estate of Robert Thomas, deceased specifically asks for trial by jury.

WHEREFORE, premises considered, the plaintiff, Marvin White, as executor of the estate of Robert Thomas deceased, prays for judgment against the defendant, Baja Trucking LC in an amount adequate to compensate for all elements of damage allowed under the Arkansas wrongful

death statute for the estate and the statutory beneficiary and which amount exceeds the current minimum requirement for federal court jurisdiction in diversity of citizenship cases. Plaintiff further prays for cost, interest, and all other further and proper relief, including a trial by jury.
